PRAYER NEEDS Men & women are up front to pray with you immediately after the service. Emergency requests: Pastor George (738-1282).

WORSHIP ETIQUETTE Worship is both an individual & corporate expression of our love for God, but what's most important to Him is the condition of our hearts. The Scriptures allow us to assume various postures as we open our hearts, so please sit, stand, or raise your hands as led by the Holy Spirit.

IN RESPECT FOR GOD'S WORD

- Turn off CELL PHONES/PAGERS in the sanctuary.
- If you must leave the sanctuary during service, please sit in the last two rows when you return.
- To keep distractions in the sanctuary to a minimum, we ask that children under 12 go to their respective classrooms. *We have seen the fruit of learning on their own level and adults learning without distractions (Nehemiah 8:1-8)* If you want to sit with your child (under 12) during the adult worship service, use the seating provided in the Café or foyer.
